

PRICE LIST, TUG CHARLIE

The tugboat's tariffs for merchant vessels in the Port of Raahe area will be charged for each half hour starting on the basis of the vessel's net tonnage, time used and the time of day as follows.

Charge for tug is from the time the tug boat leaves its base until the time it returns to the base.

The charge shall be made according to the maximum net tonnage of the vessel. In the case of a tug/barge combination or a pusher/barge combination, the towing is charged according to the total net tonnage of the combination.
